Fredette Photography is pleased to offer you our new line of **Gallery Wrapped Canvas Prints**. Your portrait will be printed on museum-quality canvas and hand stretched onto a custom-built wooden frame, (three depth sizes include ¾”, 1 ½”, and 2 ½”). The image will be gallery-wrapped, with the photo continuing around the sides of the frame for a beautiful print, ready to hang on your wall. No additional custom framing is needed.

Your print is made with the highest quality, archival inks that will never fade or discolor and each print is sprayed with a UV coating for added protection and a gloss-type finish.
